CHURCH & MINISTRY/PASTORAL HELP/LEADERSHIP
FEBRUARY 2008

Lee June, Ph.D. serves as associate provost for Academic Support Services and Multicultural Issues, vice president for Student Affairs and Services, and professor in the College of Education at Michigan State University. He has previously served in the role of director of counseling at MSU. Active in a local congregation, Lee and his wife are the parents of two sons.

Yet with a Steady Beat:

The Black Church Through a Psychological and Biblical Lens

By Lee June, Ph.D.

MARKET African American Christians, Pastors, and Educators interested in learning the psychological and social history of the African American Church across denominations.

DESCRIPTION "A faith in the God of the Bible and an association with the institutional church have had a positive influence on the African American community, and were key in the survival of the slave experience in America," says psychologist and professor Dr. Lee June. This book traces the history of Christianity among African Americans and the development of the "Black Church"—those denominations created by, created for, and stewarded by African Americans. He examines the role the church has played politically and psychologically as well as spiritually in the lives of African Americans. This comprehensive psychological and spiritual look at an historic institution will be a valuable tool for both pastors and seminary professors.

MARKETING PLAN

- Promotion at African American denomination conventions: NBC, COGIC, Full Gospel, AME
- Promotion at historically black universities, colleges, seminaries
- Direct mail of excerpts to pastors of African American churches
- National media campaign
- Radio spot ad on WMBI
